The case centered around a "Phiale," an antique gold platter originating in Sicily around the 4th Century BC. The Phiale's history was largely unknown until about 1980 when it began a series of ownership changes. In 1991, a US art dealer, Haber, purchased the Phiale for his client, Michael H Steinhardt, from a Swiss art dealership.

Emerging Issues in Federal Prosecutions

This issue of USA Bulletin, "Emerging Issues in Federal Prosecutions," provides important information that will better inform all prosecutors and investigators about the new challenges we face on a daily basis. I want to personally write the introduction to stress my support for the USA Bulletin and its mission.
